Gpstracker.net.in

PREMIUM-Mv1b

Thanks for purchasing of mv1b and we allotted an account in premium server with 100 sms credits
Please follow the procedure in step wise manner.

Step:1 gprs sim activation

Take gprs activated sim with balance of rs 20 inr atleast(to know gprs activated or not install the sim in mobile and open www.google.com if google site is loaded then gprs is active if site does not load contact gprs service provider. Tracker uses only 30mb/month
Recommended gprs service   - airtel gprs -112/month
                                                -aircel gprs-24/month

Step: 2- Switching on mv1b model.

Insert simcard and connect the mv1b model to battery wire and connect as per wiring diagram (back of the page) and you should able to see led blinking.

Step3:quick setup

From your mobile please send sms.
