# Gpstracker.net.in

**PREMIUM-pv3**

Thanks for purchasing of pv3 and we allotted an account in premium server with 100 sms credits

Please follow the procedure in step wise manner.

**Step:1  gprs sim activation** Take gprs activated sim with balance of rs 20 inr atleast(to know gprs activated or not install the sim in mobile and open www.google.com if google site is loaded then gprs is active if site does not load contact gprs service provider. Tracker uses only 30mb/month

Recommended gprs service   - airtel gprs -124/month(online recharge offer)
                                           -aircel gprs-24/month

**Step: 2- Switching on pv3 model.**

Insert simcard  backside you can see the all 3 led blinks and connect the device as per wiring diagram on back side page Then call the phone number of sim, you should hear 4 rings and auto disconnected and your will be auto answered if mic connected default

**Step3:quick setup**

From your mobile please send sms.
